

## FREQUENTLY ASKED QUESTIONS

### Based on what other clients have asked us:

- 1. What age do we recommend seeing children for the first time?**
  - We suggest that children are seen at least by the age of three by a hygienist, at this stage we find children to be more co-operative and willing to allow treatment.
  
- 2. Do we do tooth colored fillings?**
  - Yes, we do restore teeth with resin or composite fillings, which are referred to as tooth colored.
  
- 3. Do we do immediate dentures?**
  - Yes, we do immediate dentures which are dentures that are placed immediately after removing teeth at the same visit.
  
- 4. What are the insurance companies that we accept?**
  - We accept Colina, Atlantic Medical, Generali and Bahama Health.
  
- 5. What form of payment do we accept?**
  - We accept Visa and Master card, debit cards and checks.
